A long time seems to have elapsed since the EGA Seminar, which was held here in Denver the last week of October. It was a great gathering, both for the enjoyment of the classes and for the many friends we greeted.

The classes taken by your editors were Blackwork with Marion Scouler, White Work with Peg Lunt and Greek Embroidery with Joan Petrakis. Much was learned from these competent and knowledgeable teachers. We shall be bringing you some information learned in these classes in future issues of this magazine.

Our reception and counted thread exhibit on the third floor of the Brown Palace was most enjoyable for us. We really enjoyed meeting you, and we thank all of you who were able to come. It is a real pleasure to meet so many of you face to face after having known you only by name.

Most of the teachers at the Seminar are members of CTSA. We appreciate their interest in counted work. These teachers were Chettie Alderson, Wilera Bristow, Bobbie Brannon, Sonny Faust, Mar-nie Fessenden, Barbara Johnston, Peg Lunt, Joan Petrakis, Marion

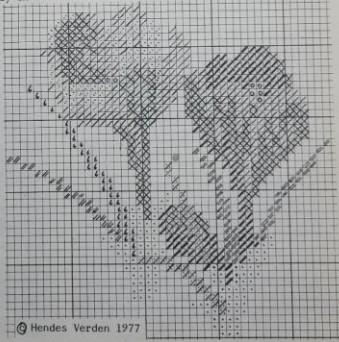

Scouler, Cynthia Iribelhorn, Vivian White, Joan Young and Jane Zimmerman.

We thank DKE again for the use of a design from their collection - we appreciate their interest.

Congratulations to the Danish Handcraft Guild on your 50th Anniversary. All of us interested in counted thread embroidery will be forever grateful for the presentation and encouragement of counted work and high quality designing exhibited in the past 50 years.

Our next issue will have an Assisi design, spring patterns, an article on Hed-sbo and other fascinating subjects.
